

is proper under 37 C.F.R. § 1.116(c).

Amendments

Please make the following amendments:

In the Specification

In the Notice of Allowability, dated May 17, 2000, Examiner Frejd and Examiner Testa reiterated their objection to the specification "because the specification contains two appendixes." Notice of Allowability at 3. In addition, Examiner Frejd and Examiner Testa stated that, in their opinion, "the appendixes are necessary to facilitate a full understanding of the present invention." Id. In response, Applicants submitted, on June 5, 2000, an Amendment After Allowance Under 37 C.F.R. 1.312(a). The Amendment After Allowance incorporated the Appendices into the text of the specification (as Table A) and made various corrections to the specification to conform the specification to the incorporated Table and the final drawings, as well as to correct typographical errors in the specification. Applicants hereby request entry of the amendment to the specification in accordance with the amendments described in their Amendment After Allowance. A copy of the Amendment After Allowance is attached herewith as Exhibit 1.

In the Claims

1. (Twice Amended) A computerized process for carrying out an international transaction comprising the steps of:

- (a) determining a language in which to view catalogue information on products;
- (b) determining a currency in which to obtain a price of the products;
